Merritt Island High School
Merritt Island, Florida

God grant me the courage to change
the things I can change,
the serenity to accept those I
cannot change,
the wisdom to know the
difference —
but God grant me the courage not to
give up what I think is right
even though I think it is hopeless.

To you, Oh Island High
We proudly do
proclaim
That, as your loyal
Mustangs,
We'll bring honor to
your name.

We're your Mighty
Mustangs
Courageous may we
be.
May our fighting spirit
Lead us on to victory.

We who search for
knowledge
May you our quest
fulfill
And we, who yearn for
wisdom,
Please make us wiser
still.

We're your loyal
Mustangs
And in the clear blue
sky
May our banner wave

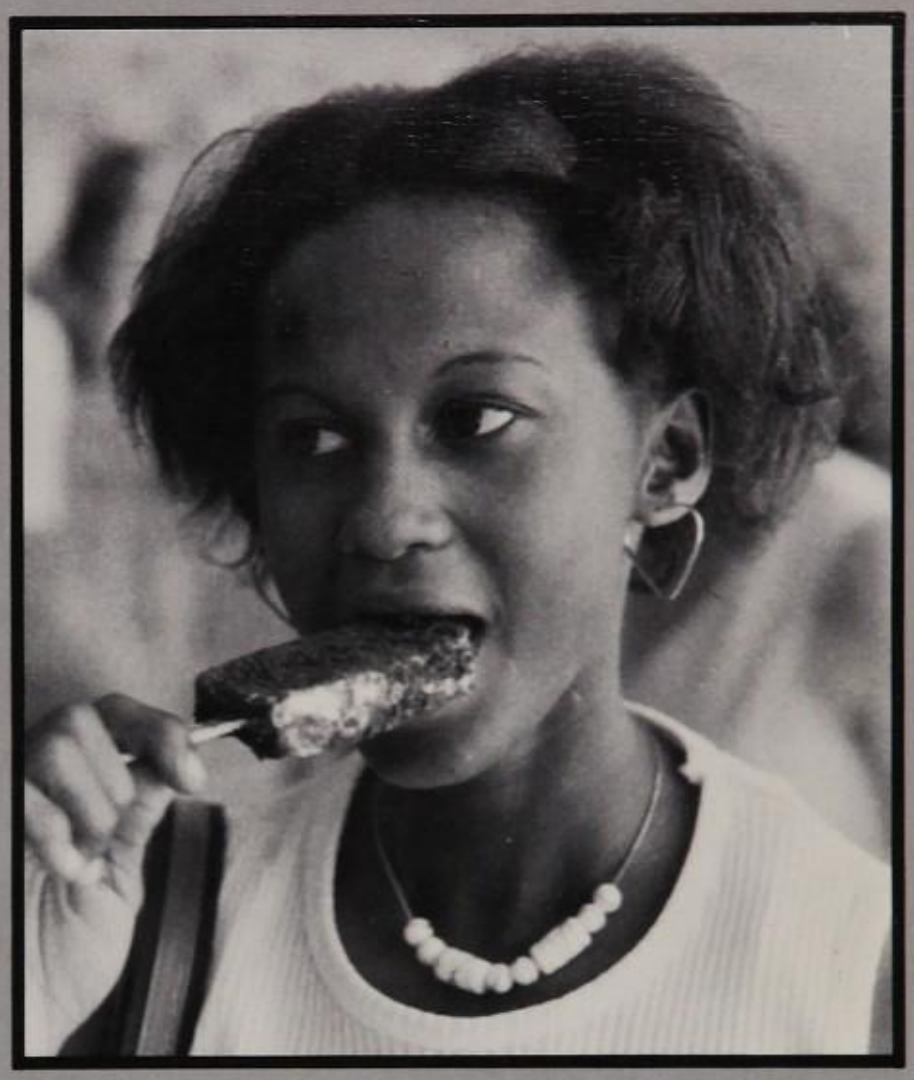
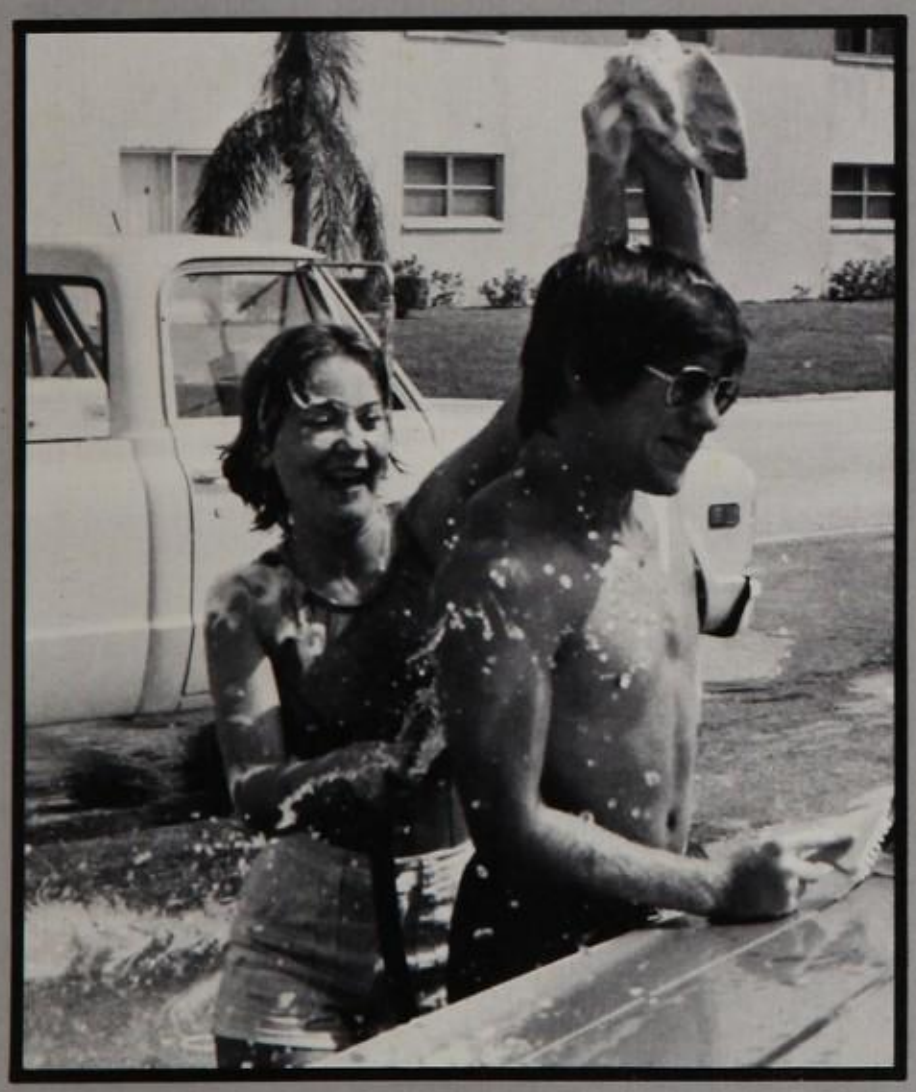
You see things as they are; and you ask "Why?".
But I dream things that never were: and I ask "Why not?".

George Bernard Shaw

This above all: to thine own self be true, and it must follow, as the night the day, thou canst not then be false to any man.

William Shakespeare





A companion loves some agreeable qualities which a man may possess, but a friend loves the man himself.

James Boswell

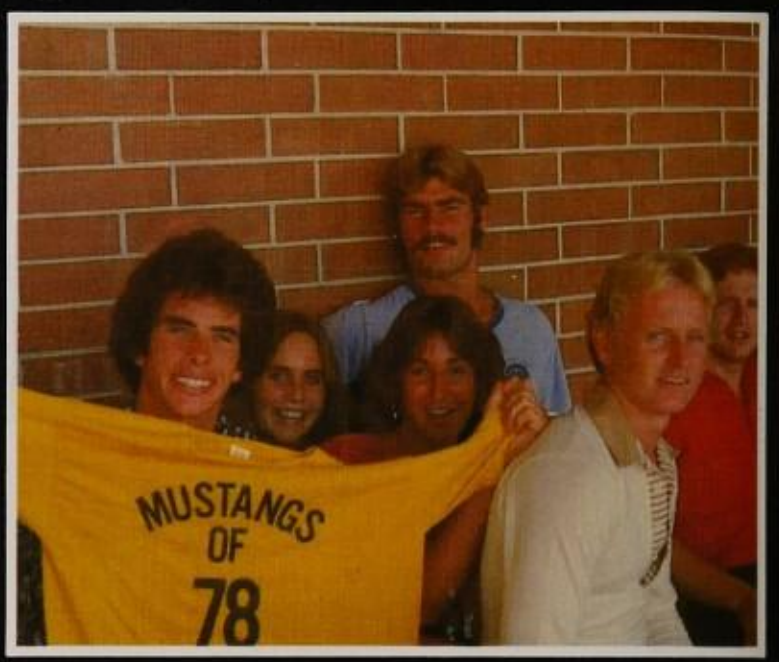
Go as far as you can see,
And when you get there you'll
see farther.

Unknown

To have known how to change the
past into a few saddened smiles —
is this not to master the future?
Maurice Maeterlinck

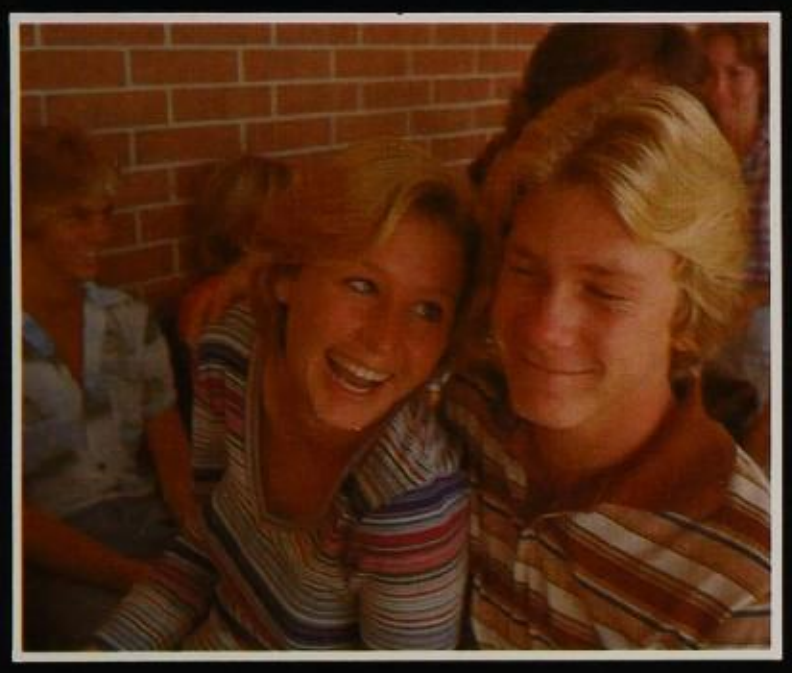
The best way
to prepare for life
is to begin to live.
Elbert Hubbard

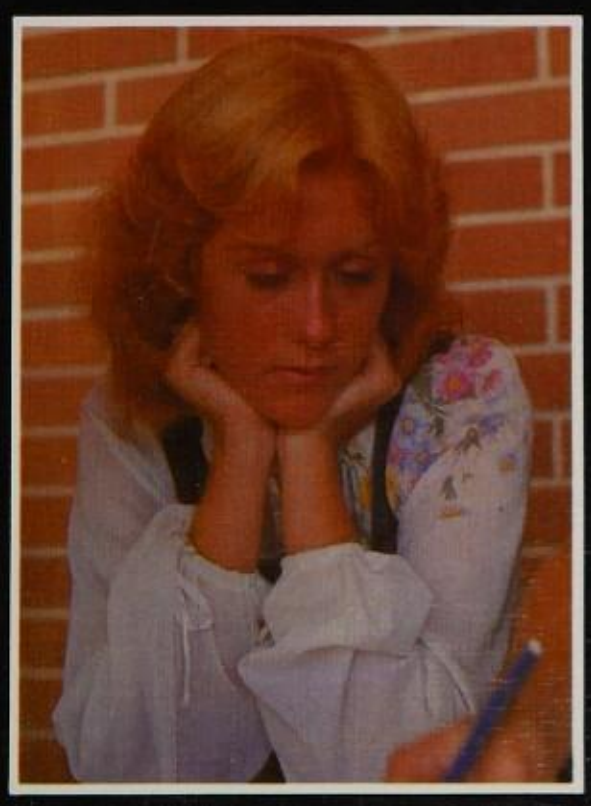
I am not afraid of tomorrow, for I have
seen yesterday and I love today.
Allen White

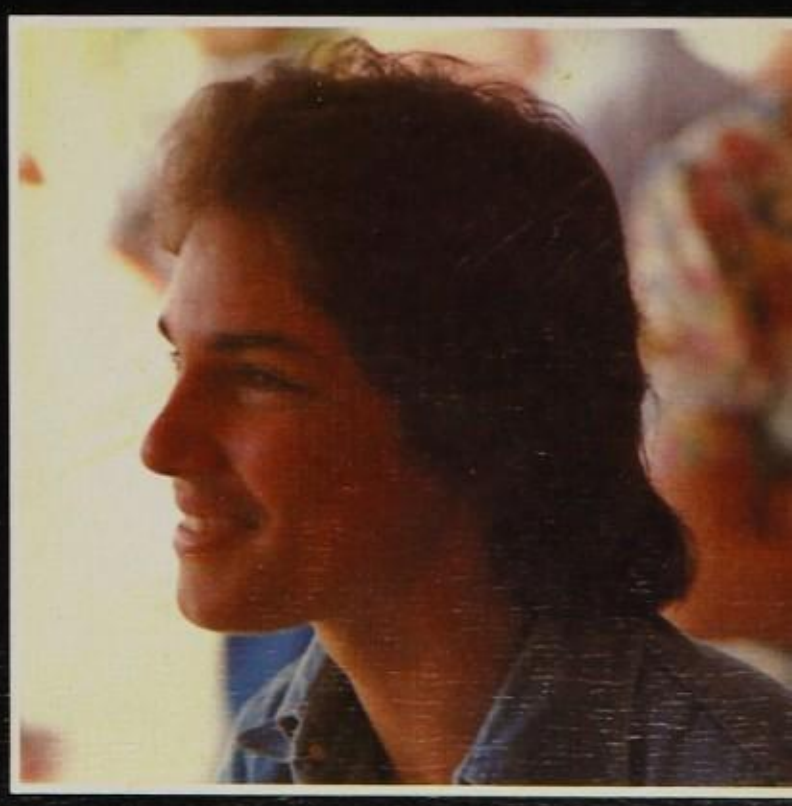


The rung of a ladder was never meant to rest upon, but only to hold a man's foot long enough to enable him to put the other somewhat higher.

Thomas Huxley

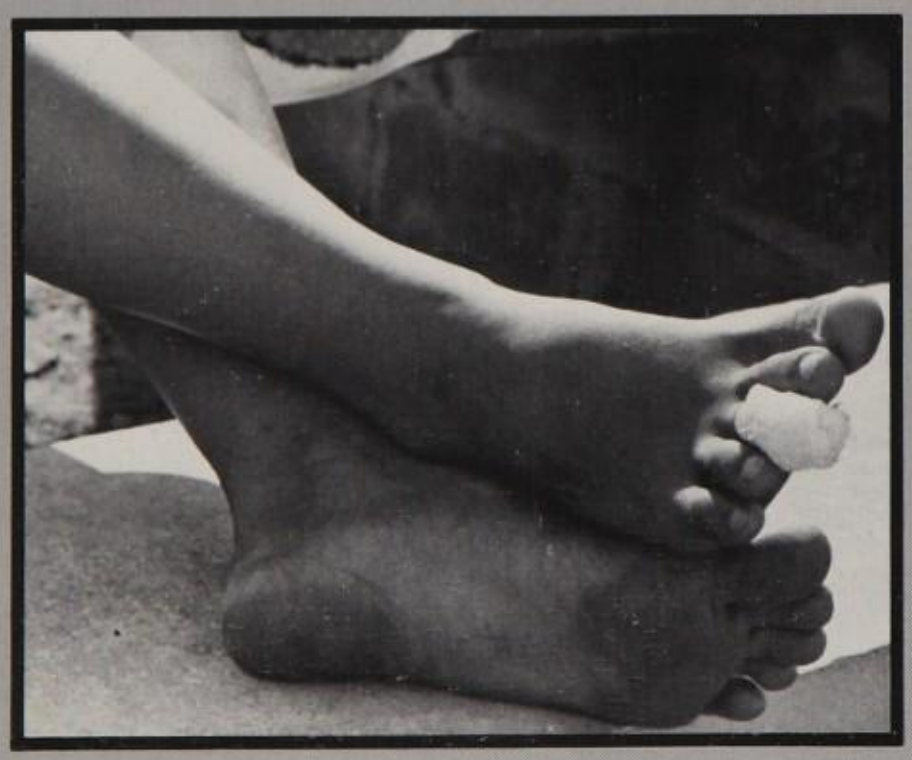






To me every hour of the light and
dark is a miracle,
Every cubic inch of space is a
miracle.

Walt Whitman



The difficulty is not so great
to die for a friend,
as to find a friend
worth dying for.

Henry Home

Like some low and mournful spell, we whisper that sad word, "farewell."

DEDICATION '78
Mr. Harmon Chesser

Each year it is the tradition of the yearbook staff at Merritt Island High School to dedicate the book to someone who has made a valuable contribution to our school and its students. Some of the people who have been honored in the past have retired, some have moved to other positions within the county school system, some have moved away from Merritt Island, and some are still with us.

The person to whom we dedicate this year's ISLANDER is someone who has been with us for many years and who has made many important contributions to our school and community. This person is known to and respected by students and faculty members alike because of the impact that he has had on us and our education during his years here.

The well-known "Voice of the Mustangs" has announced his plans to retire at the close of this school year. He certainly deserves a well-earned rest, and as he leaves we hope that through this yearbook he will carry pleasant memories of us, for he certainly leaves many of us pleasant memories of himself.

For these and other reasons so numerous that space will not permit us to enumerate them, we are pleased to dedicate this edition of the ISLANDER to you, Mr. Harmon Chesser.

Each year, the yearbook staff invites Seniors to list the activities in which they have participated. This year we also invited Seniors to include their home address if they so desired. Many Seniors avail themselves of this service while others choose not to do so. To the best of our knowledge we have included the information for all students who have requested us to do so.

HEE HAW!!
IT'S DONKEY
BASKETBALL!!

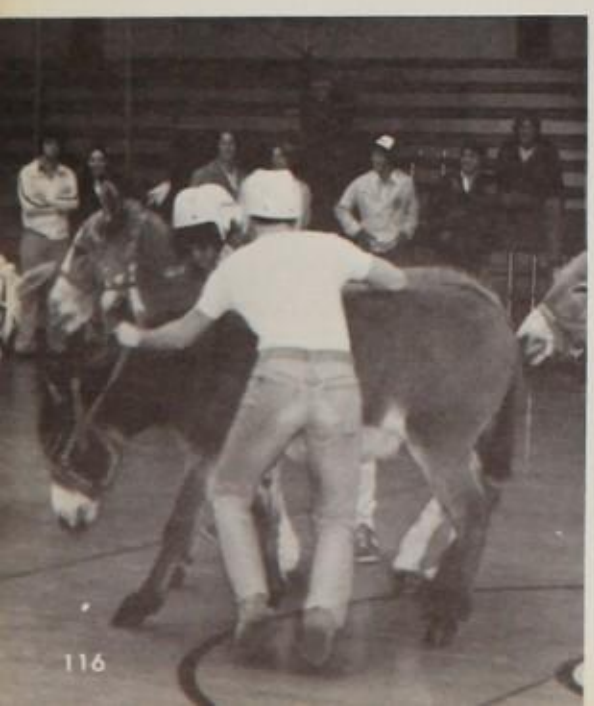
"You're supposed to milk cows, not donkeys."

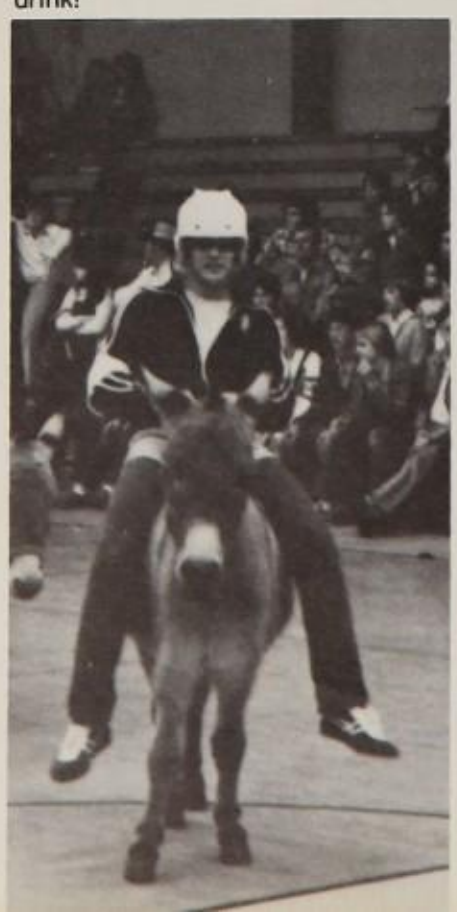
"I know I deserved it!"

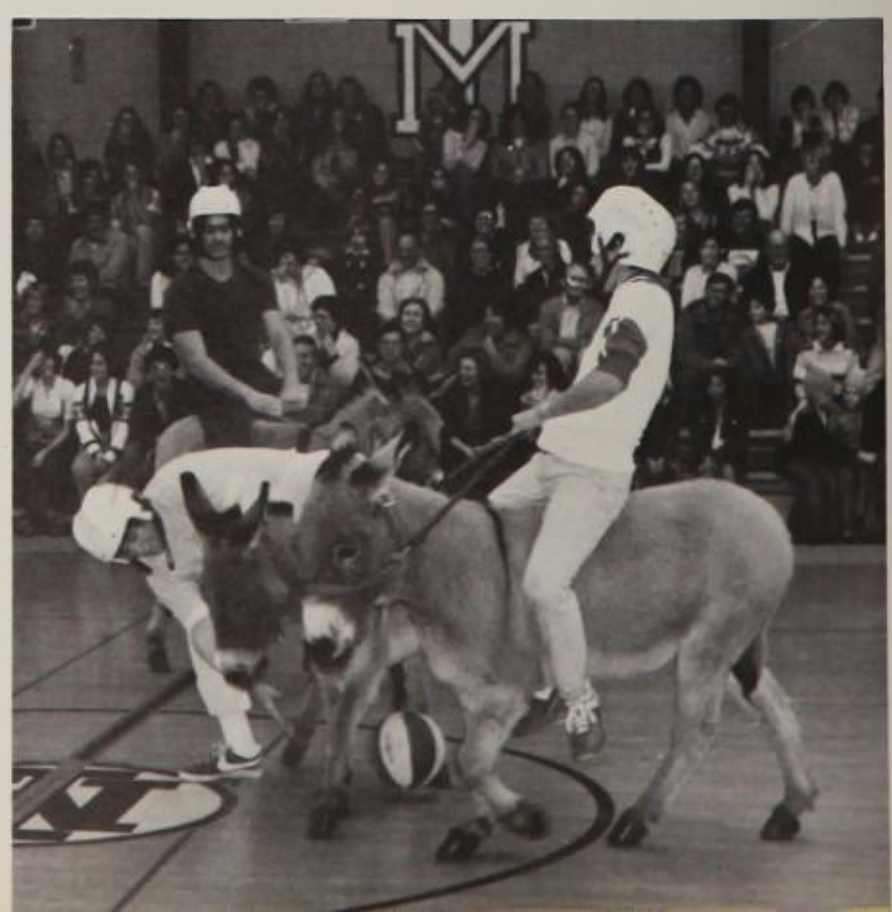
Which is the real King of the Jackasses?

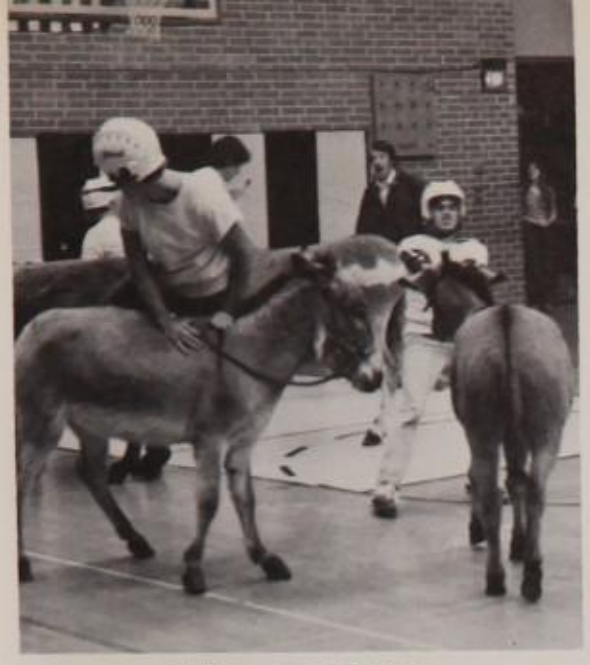
"Take me I'm yours!"

"You can lead an ass to water, but you can't make it drink!"









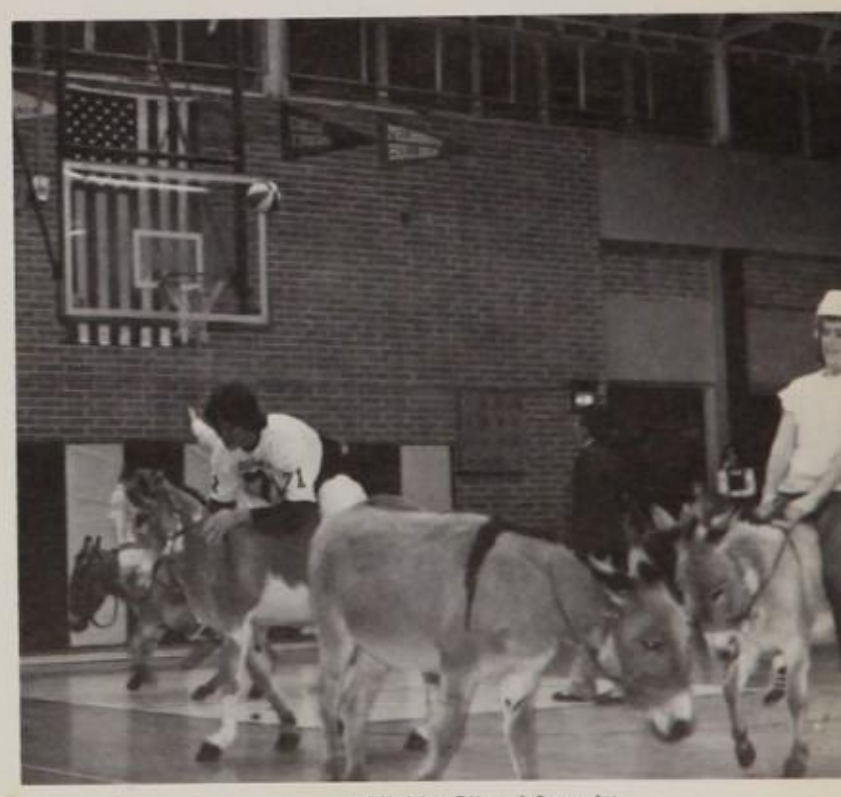
Stubborn as a woman!

What kind of basketball team has 24 legs instead of 10? It's Merritt Island High Donkey Basketball, of course! Once again, the faculty, seniors, juniors, and sophomores mounted their donkeys to face one another in a spirited game of basketball. There were many sore a--s at the end of the game and not all of them were of the animal variety, but everyone enjoyed themselves and the players certainly got a thrill from riding their donkeys around our previously clean courts!

David playing "grab-ass"???

Rah! Rah! Ree! Grabe her by the knee!

"Not tonight, I have a headache . . .



"Hi, Ho, Silver! Away!"

This year's blood drive, sponsored by the Merritt Island High Student Council, was the most successful blood drive in our school's history. The Red Cross ladies drew 140 pints of blood from our brave volunteers, thus setting a new record for Brevard County Schools. This insures that the people of Merritt Island will have blood coverage to last another year in case any emergencies might occur . . .

"OOOH! If only I weren't married."

"I'll tell you if ya promise not to tell my mother."

"Those hot-blooded nurses make our temperatures rise."

What God Giveth . . .

What kind of a kiss is Jeff going to get?

"Hey, Blood!"

"The only reason I'm doing this is for the cookies!"

. . . We thank the generous students and members of the faculty who braved hordes of hovering, vampire-like spectators, and the frightening stories about giving blood. We're sure that many needy people will be grateful for this gift of life.

"WOW, Even his blood flows perfectly!" (pant, pant, slobber, drool)

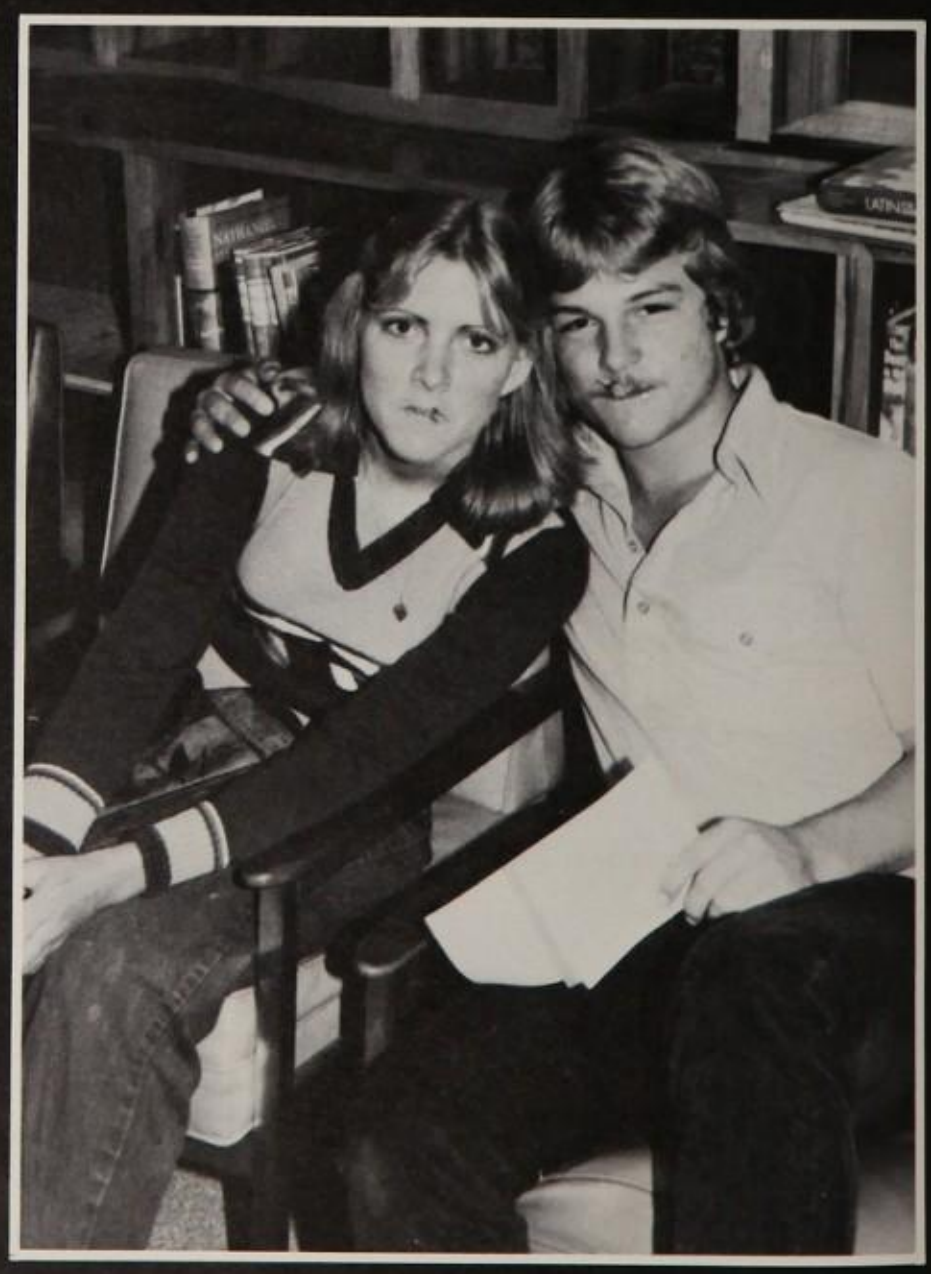
"If I die today, take notes in Mrs. Bring's class for me."

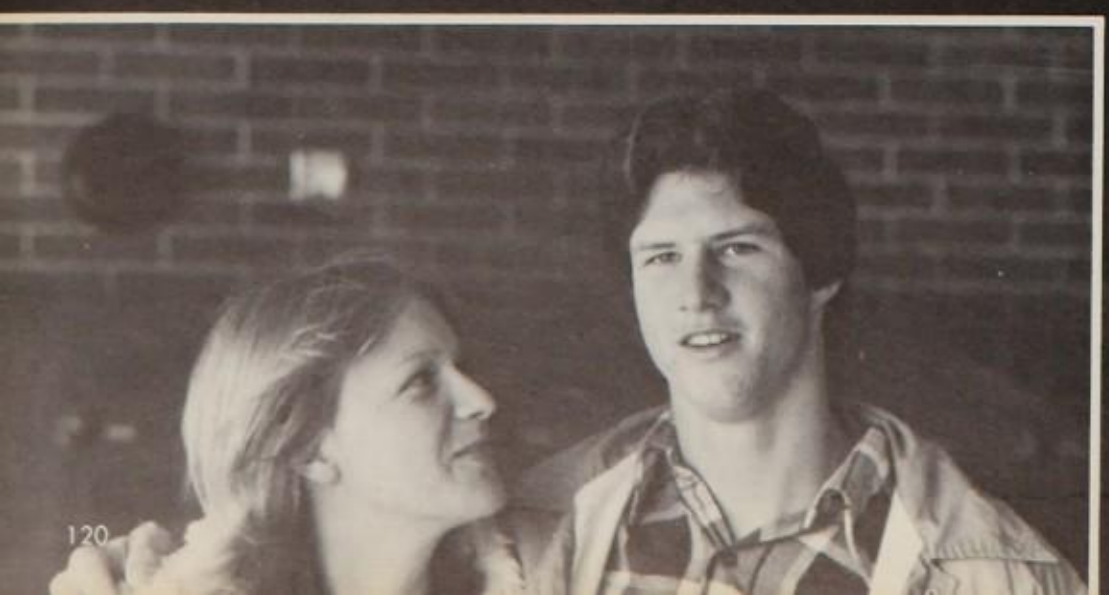
Red Cross Taketh Away!

"Careful, this stuff is 90-proof!"

"Look what Mom packed in my lunch!"

So I wanna laugh while the laughin' is easy
I wanna cry if it makes it worthwhile
I may never pass this way again
That's why I want it with you
'Cause you make me feel like I'm more than a friend
Like I'm the journey and you're the journey's end
I may never pass this way again
That's why I want it with you.





SENIOR

MUSTANGS HAVE THAT

"If we practice long enough maybe a Senior will ask us to dance."

Everyone's got that Boogie Fever!

"Hey, ya know, I think he's kinda cute . . ."

"I was a good little boy this year and this is all I have to show for it!"

"My name is Edith Ann and I'm five years old."

"Me dance with you? Forget it!"

"I can finally snap my fingers and dance at the same time!"

SATURDAY NIGHT FEVER!!

"Who said the Bunny Hop is out of style?"

"Look! He's coming over."

"All this dancing makes ya shed a few pounds!"

"Please don't squeeze the Charmin!"

"Ain't no doubt we're here to party."

If smiling faces tell lies then this is a group of liars.

"Do you think we're ready to audition for Saturday Night Fever Part 2?"

"I like being the center of attention."

Eva Bjornsson, Sweden

FOREIGN EXCHANGE STUDENTS

These exchange students can teach us much about the language, culture, and people of other nations while learning more about our own way of life. We at MIHS hope that our exchange students received a good impression of the United States and enjoyed their stay at our school.

"Hola, Bon Jour, He; . . ." No students, this does not mean, "I come from Mars, take me to your leader." They are words of greeting in the language of each of our foreign exchange students. This year Merritt Island High has been fortunate to entertain representatives from Chile, France, and Sweden in a cultural exchange program. These young people have come to our country for six months to a year, to study in an American school and see what life is like in another country,

"I told you to use certs before you talked to him."

DRAMA AND THESPIAN PLAY

Did you know that you don't have to go to Hollywood to see talented actors and actresses? The Merritt Island High Thespian and Drama students are among the best around. This year they presented the very successful "Ten Little Indians," which clearly indicates their acting ability. Thespians and Drama Students, we wish you much success in the future.

"Who said beauty is only make-up deep?"

R. F. Horton

TWO BITS, FOUR BITS, SIX BITS, A DOLLAR, ALL FOR FUND RAISING, STAND UP AND HELP!

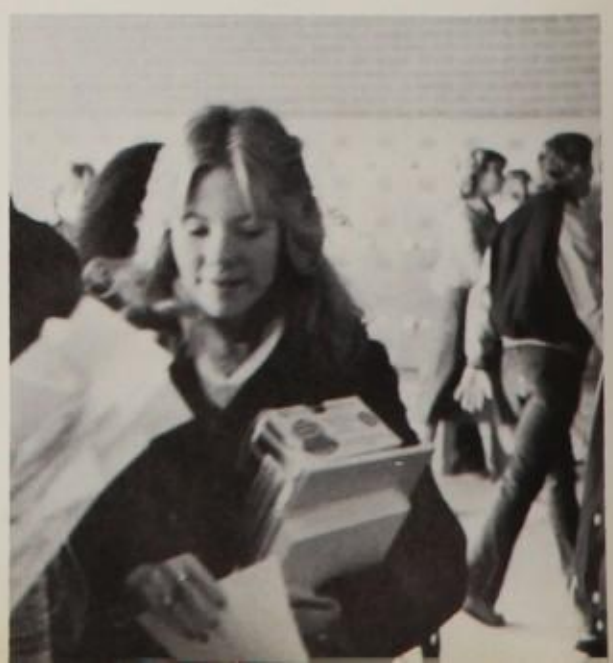
If you are a member of any club or organization at Merritt Island High, you have probably experienced the "FUN" and "EXCITEMENT" of Fund Raising Activities. This year we had candy grams, lollipops, and bake sales for your sweet tooth, hot water and soap suds for your love-bug encrusted car, pickles for your gastronomical delight, T-Shirts for your wardrobe and swinging dances for those with that "BOOGIE FEVER." Without money raising events, the clubs and classes couldn't fulfill their many projects and community services.

"But I told ya, we don't have anymore!"

"Margaret, you're supposed to sell them to other people, not yourself!"

"Doesn't look like we have change for $100.00."

The art of ripping off.



"I want a refund, it has a hole in it."

"Hey, what do we do if the paint comes off?"

"All we need is five more dollars for the Keg!"
Now what do we tell the owner?"

"What are those people doing in there?"

This is what the Seniors make while doing time.

"How come I got stuck scraping off the lovebugs?"

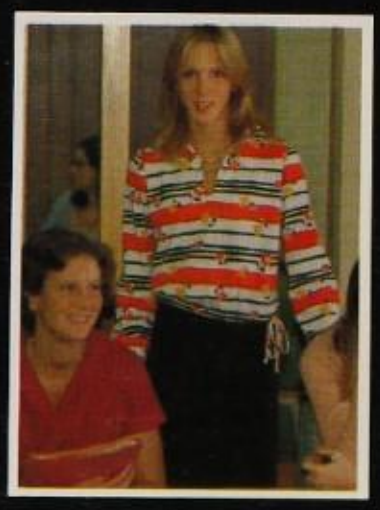
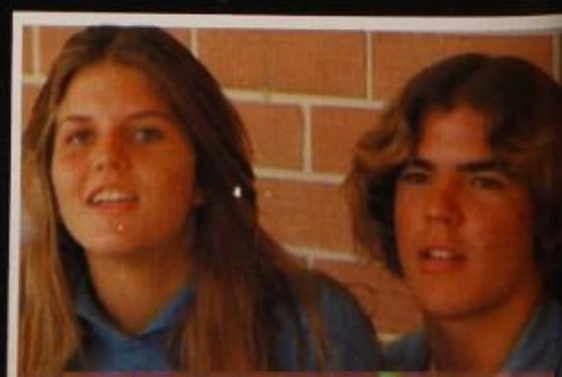
GO-MUSTANGS





"Naw, I never used that thumb anyway."

Is this what Linda wants to become?

"Stuff it," Sophomores.

Not even the Egyptians could top this!

Didn't know a Moonpie could blow bubbles!

"That girl had better get away from David!"

Ever heard of the living dead?

"Scalpel, scissors . . . the appendix has got to be here somewhere!"

MUSTANGS BUILD THEIR SPIRIT

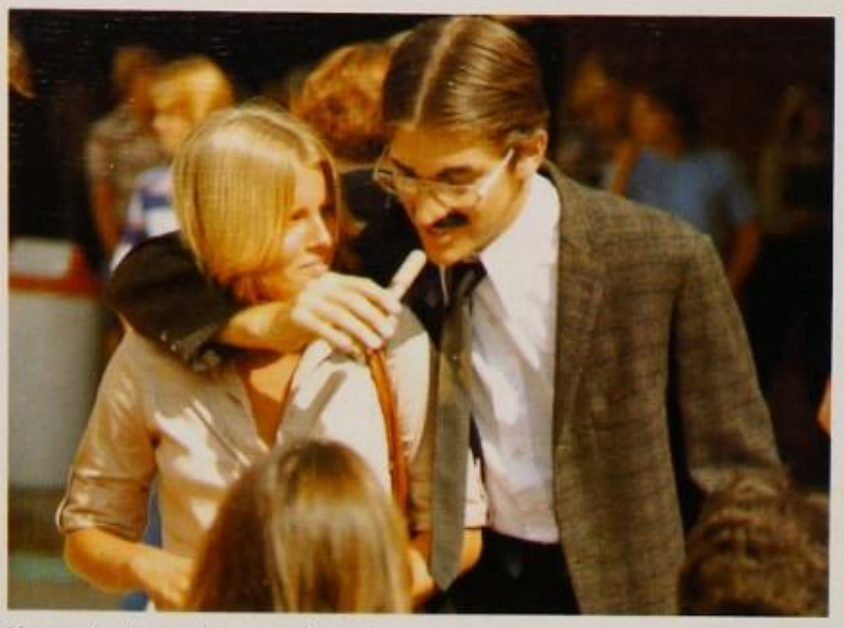
Float construction is a very special time at Merritt Island High School, full of excitement, long hours of work, and numerous oranging attempts. The hard work put into these floats was well worth the trouble, because of the many new friendships that were made during this time. Looking at the beautifully prepared cars and floats on the day of the parade, one would never guess that students stayed up the entire night before, stuffing napkins and bending chickenwire. This was the case, however, due to the damaging attacks of oranging bandits and a few saboteurs. Even with the orangings and the setbacks in construction, the spirited students and sponsors managed to produce elegant floats and cars which once again made our Homecoming a success.

Who's building the show while the Sophomores throw?

"These instructions don't read too clear."

THIS we can do by ourselves!

WHAT MAKES PEOPLE SMILE?

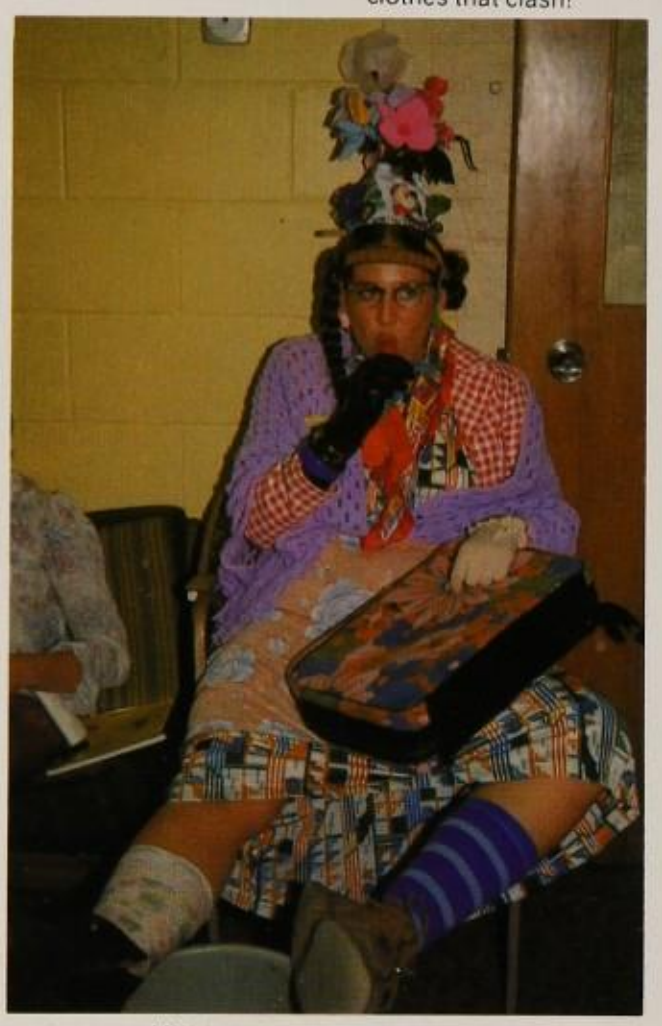


You gotta kiss a lot of toads before you find your handsome prince.

Too bad Mrs. Biegas couldn't find any clothes that clash!

"Now the smoke in the bathroom won't bother me!"

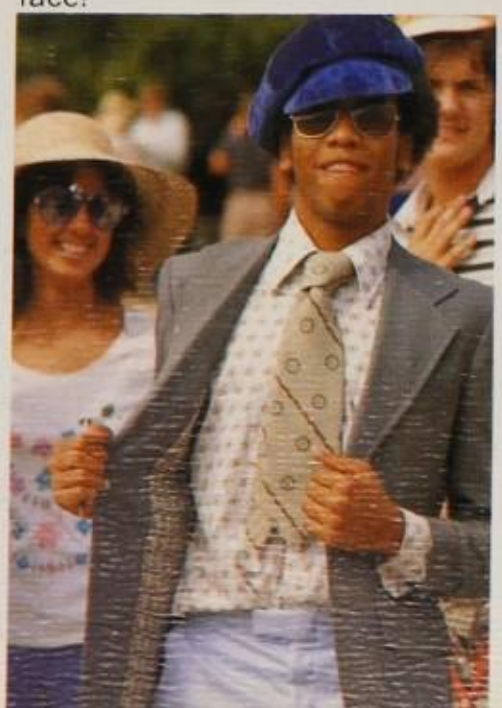
Hey, there, Daisy Mae!

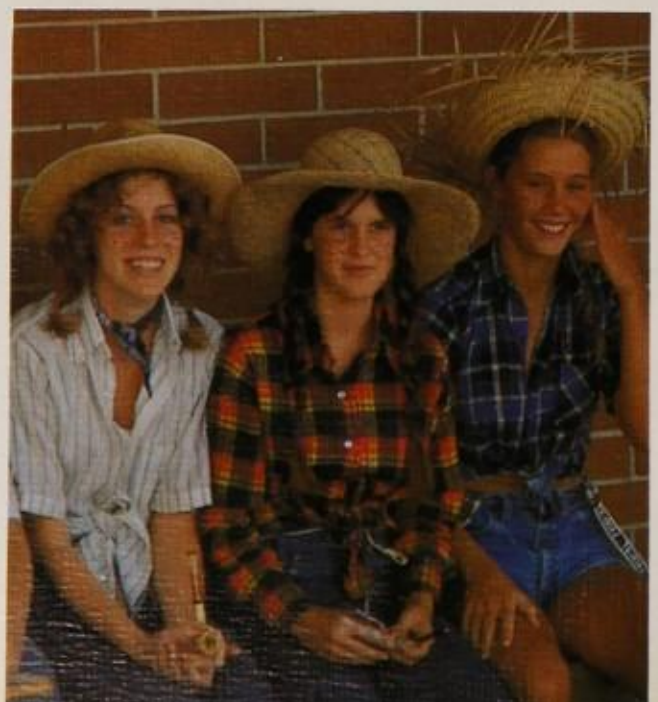


Kill it before it multiplies!

"Now that my broom broke, I gotta thumb."

You've got the cutest little baby face!





OUR SPIRIT WEEK!

Hey! Did you see Darth Vader chasing Princess Leia? Oh! and how about that elegant Orlando Jones Homecoming Queen, Sue McGuire! And how about all the "babies" in the Senior Class? These are but a few excited and spirit filled exclamations that were part of this year's traditional "spirit week." This is the time of the year when everyone dresses up in imaginative and colorful costumes, giving students, and faculty alike, a good dose of the spirit which is so vital to the success of Homecoming. The festivities this year included: favorite character day, Hillbilly day, 50's flashback day, clash and crazy hat day, and black and gold day. These spirit-filled days will be tucked away in our memories and will be treasured for a long time to come.

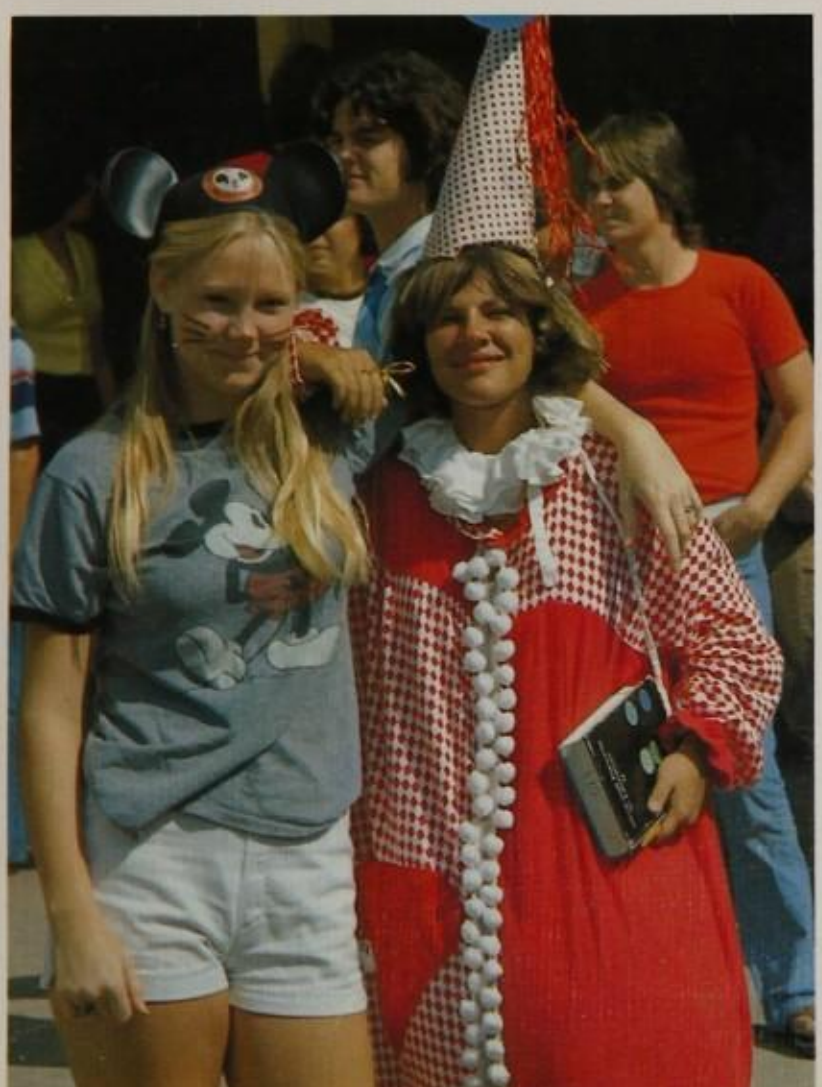
"And this is how they dress in Hawaii!"

"This shore don't taste like Ma's vittles!"

"Everybody pucker up, here comes Fonzie!"

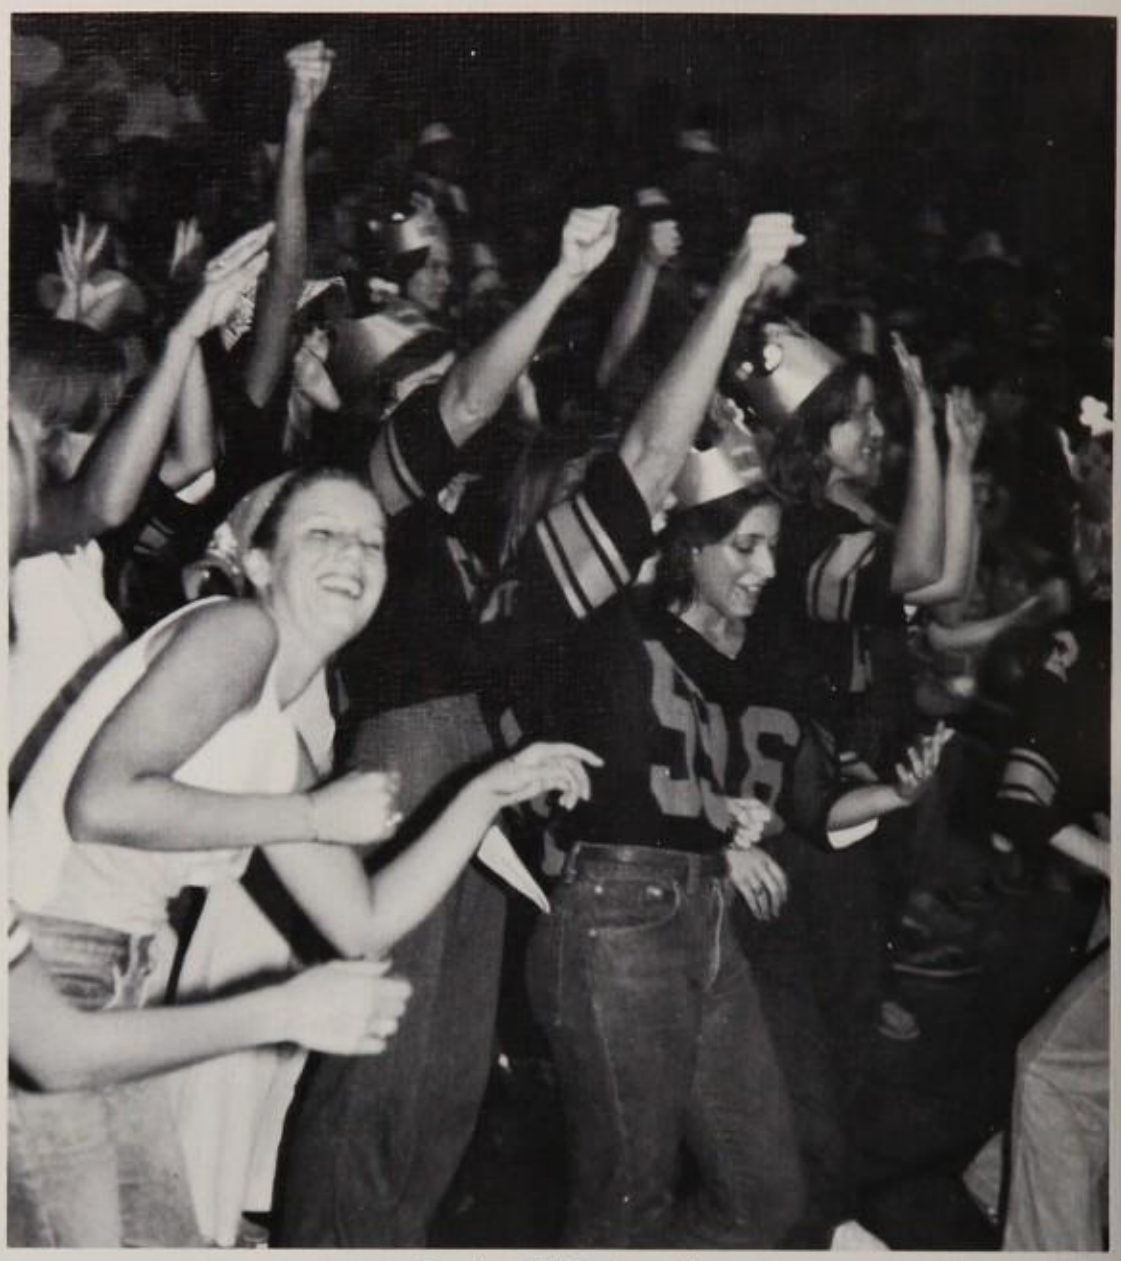
Are you waiting for a flash flood?

The way she's smiling that pacifier must be mint flavored.



MUSTANGS "GO BANANAS" AT THE 1977 STAMPEDE

Every year Merritt Island High School holds the traditional stampede which is always filled with excitement and laughter. This year the skits of the Band, Annual Staff, Pony Express, and many others contributed to the overall fun and enjoyment of the Stampede, making it one of the best ever held. The spirit exhibited by the cheerleaders, the football team, the students in the stands, and the numerous bananas on the floor gave an air of confidence which carried us on to a fantastic victory over Orlando Jones.



"Seniors!!! Seniors!!!"

"Don't look now, but somebody switched the mascot!"

Annual Staff is number one!

Bang, bang, choo choo train, Come on seniors, do your thang.

Pin the tail on the tiger.

To you, oh Island High . . .

"WE'RE STILL THE ONE!!!"

Merritt Island High School has many traditions, but one tradition that is enjoyed by old and young alike is the annual Homecoming Parade.

This year, the Homecoming theme was "We're Still the One," and the various competitors proved that we still are. Unfortunately, there can be only one first place float, and the judges' votes went to the Sophomore Class, much to the dismay of the upperclassmen. Nevertheless, the Sophomore Class remained the victors in the float competition while the Seniors and Juniors wanted to bury them in the Seniors' graveyard and while Research Science was rejoicing over its victory in the car competition.

Maybe the best way to sum up the 1977 Homecoming Parade is "missed by a few, participated in by many, and enjoyed by all."

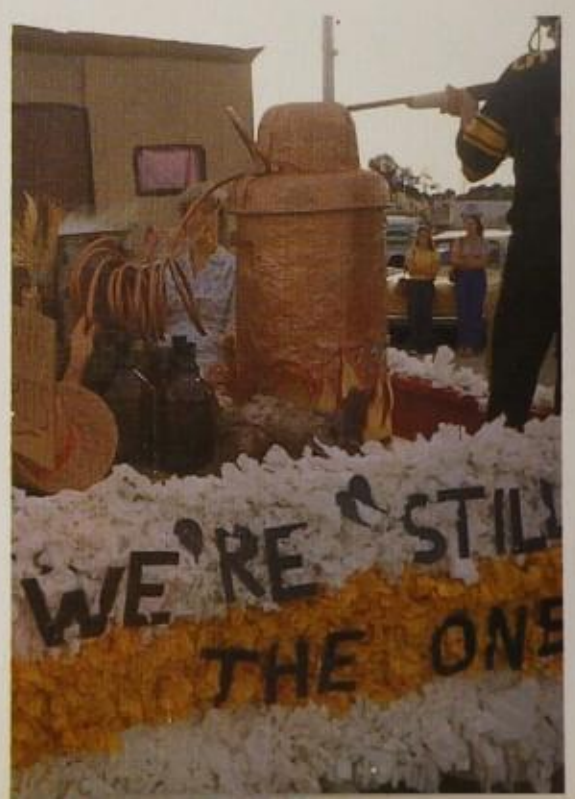
Sophomores admire their prize-winning entry.

"Hey, pass the candy around, huh?"

"When the typewriters fall off, we'll say that CBE did it!"

"On our honor we promise to sell all our Girl Scout cookies."

Seniors' biggest tombstone accurately predicted Jones' fate.



"Eat your heart out, Farrah!"

This sign said it all!

High stepping color guard leads the parade.

"Howdy, partner! Welcome to Mustang Country."

"My gosh, we just got an obscene phone call!"

"No sudden stops, okay?"

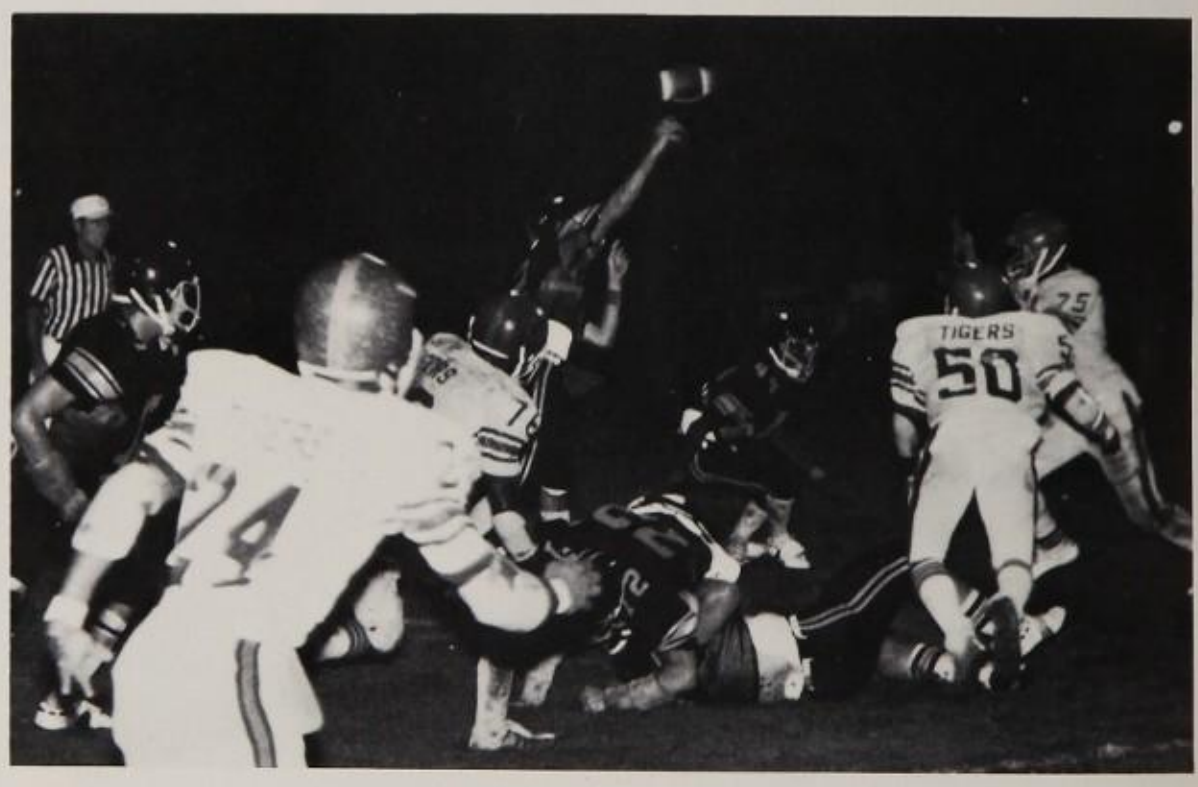
Just keepin' the bench warm.

EVEN A DOWNPOUR CAN'T

"You wait, I'll be back!"

Mustang locomotion coming through!

"Come on, offense, make a first down so I don't have to get up!"



David burns yards!

DAMPEN MUSTANG SPIRIT!

A sprinkle a day keeps the odor away.

"Mr. Mustang, can I have your autograph?"

With faces this happy we must be winning!

School spirit flies high at M.I.

"Oh, thank Heaven for the Mustang eleven!"

A Heimwich is better than a sandwich!

RAINDROPS KEEP FALLING ON MY HEAD!

Despite the steady downpour of rain at halftime, this year's Homecoming Court managed to look radiantly beautiful. While the fans were wondering how the Homecoming Court managed to look so lovely, the Court was amazed that the fans didn't notice their bedraggled appearance.

When the moment arrived for the crowning of the Queen, every Mustang was delighted when the name "Miss Cathy Chamberlain" was announced over the loudspeaker, as the 1977 Homecoming Queen. Cathy is serving as president of the senior class and is an active member of Keyettes, Pep Club, and Concert Band. Cathy Chamberlain, we at Merritt Island High School are very proud to have you as our 1977 Homecoming Queen.

HOME OF THE

In case YOU forgot, WE have been remembering . . .

LAETRILE, the drug which some believe to be a cure for cancer, was legalized in Florida but cannot be sold over the counter. Made from peach pits, some consider it to be the wonder drug and others feel that it is a gimmick.

FORMER VICE PRESIDENT HUBERT HUMPHREY declared, after his cancer surgery, that he would resume an active life for as long as time permitted. The "happy warrior" lost his fight and died shortly after Christmas.

THE AWARE WOMAN ABORTION CLINIC opened in Cocoa Beach after much red tape had been cut through. This controversial business was met by picketing and other forms of protest but as of this writing is still in operation.

ANNUAL STAFF

Where can one find studious brains, hyperactive cheerleaders, football jocks, and the criminally insane in one room? To see where, come by E-118 4th period, and see the Annual Staff in action. Even with all the craziness we have managed to organize ourselves into a generally sane group of dedicated workers, who have tried with all our effort to produce the best yearbook yet. Somehow we have persevered throughout the frantic deadlines, setbacks in production, and late-night caption parties to bring you the 1978 Islander which we think is a "super" book. One would never guess that a great annual could come out of all this chaos, but with the divine guidance of God and Mr. Ferger, we have once again painted an accurate picture of high school life. We, the literary editors, would like to give our regards to all the staff members and especially our devoted editor, Yvette Chocolaad.

Interact Club is one of the largest and best known service organizations here at Merritt Island High. They are known for their practical jokes and general rowdiness as well as for their generosity in assisting local charities and needy families. This year, Interact Club is planning to donate all the money raised in its activities to the Mila Crippled Children's Center to aid in the care of these deserving youngsters. Perhaps even more important than the financial aid rendered is the time and care these students provide for these individuals. Interact Club has held carwashes and a basketball game with the Key Club in order to raise money for contributions to charity organizations. In addition to this, they entered a car in our Homecoming Parade, and escorted the Mila crippled children to see this exciting event. As usual, these activities were a big success, once again proving the Interact's great "Mustang Spirit" which is such an important part of our school. Under the capable leadership of Mr. Goldfarb as sponsor and President Bubba Hurdle, Interact has completed another successful year.

ART LEAGUE

When someone speaks of talent and artistic capability, the Art Club comes immediately to mind. This year the Art Club has been doing many helpful projects around the school. They have constructed an attractive mural in the cafeteria, participated in local art shows and contests, and involved themselves in worthwhile community service projects.

MARCHING MUSTANGS

Drum Majors
Craig Collins and David Moss

Band Director
Michael Leclerc

The 1978 Marching Mustangs were led by Drum Majors Craig Collins and David Moss, with the accompaniment of the flag corps, led by Lela Reeves, and solo twirler, Lisa Taylor. Some of the more well known songs played by these talented performers are: The Horse, Free Ride, Star Wars, and everybody's favorite, Rocky. The members of the band and their director, Mr. Leclerc, are among the most dedicated Mustangs in our school and are worthy of our respect. This year they were called upon to perform at the Homecoming parade, at all our football games and pep rallies, and at the various competitions and presentations. As usual, the band received SUPERIOR at the district marching contest, proving once again that Mustangs are the best. We thank you Marching Mustangs and we also thank Mr. Leclerc for his skilled leadership and photography skills.

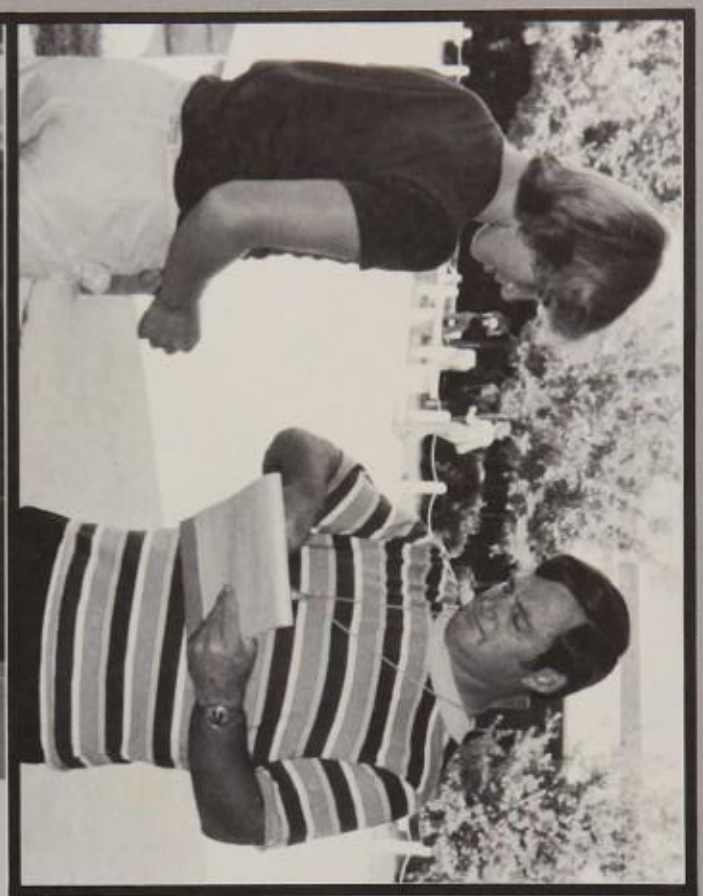
ADMINISTRATION, FACULTY, and STAFF



A TEACHER AFFECTS ETERNITY: HE CAN NEVER TELL WHERE HIS INFLUENCE STOPS.

PRINCIPAL
MR. ROBERT E. BRUTON

Most students at Merritt Island High know who our principal is, but few realize just how difficult and time-consuming his job can be. It requires a great deal of compassion and understanding to keep MIHS running at its best, and to uphold its reputation as one of the finest schools in Florida and in the nation. His avid support of all school activities whether academic or athletic, has enabled the young people who enter our school to leave with a well-rounded education and a desire to constantly better themselves. Mr. Bruton was kind enough to express his feelings for the student body.

"Most of the memories of 1977-78 will be good ones. I have had the pleasure of working with over 2000 young people. I have watched you grow in body, in knowledge, and in social skills. I feel that I have developed personal friendships with many of you — and I treasure that greatly. To those of you who are graduating this June, I wish you great success and happiness in your future endeavors . . ."

The students of Merritt Island High owe a great deal of respect and admiration to this dedicated man who does his job so well, Mr. Robert E. Bruton.

"Getting the school newsletter ready to go is quite a job!"

"Will you get lost? I'm trying to make it with Mike!"

The paperwork never stops.

Drinking on the job?

MR. HARMON E. CHESSER

"Welcome to Merritt Island High School — The Home of the Mustangs" The voice behind this well-known phrase is that of Mr. Harmon Chesser, our Assistant Principal and "Voice of the Mustangs." Mr. Chesser is responsible for our informative morning announcements and the play-by-play commentary at our football games as well as his various administrative duties as assistant principal. Mr. Chesser is an indispensable part of our school and an avid supporter of all the many functions Merritt Island High holds each year.

Few of us realize how important Mr. Chesser's work is, but we who do, appreciate the manner in which he does his job.

"What do you mean they're closing down all the topless bars in Cocoa Beach!"

"Chalk another one up for the computer!"

ASSISTANT PRINCIPALS

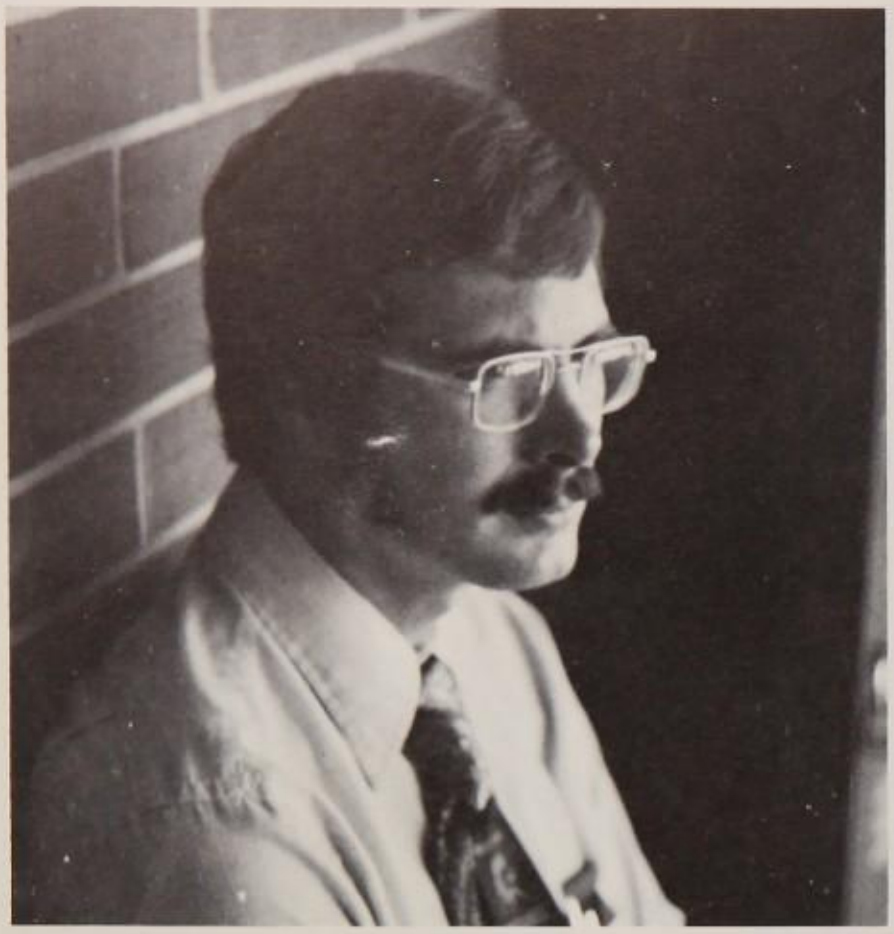
"All I need now is a girl!"

"A great big 8 pound baby boy."

MR. MICHAEL L. KRUPP

Mr. Michael Krupp, an Assistant Principal, has completed his second year at Merritt Island High, and is now a veteran administrator. One of his many responsibilities as Assistant Principal is to act as a liaison between the faculty and the student body to bring about more understanding and cooperation between the two. Mr. Krupp's idea of a beneficial learning situation is "a sharing of knowledge and personal experiences to give one insight and opportunities for the future." The dream of all students at MIHS is to reach this lofty goal and to continue on to even better achievements in their later lives.

DEANS OF STUDENTS



DEAN WOODBURY

Mr. Roger Woodbury, the fearsome Dean who lurks in dark corners waiting to pounce on the unsuspecting violators of school board policy, is in reality a warm, concerned individual who tries to help any student in need. His deep understanding of the students' troubles and his careful treatment of discipline problems, make him a valuable member to the Merritt Island High Staff. Mr. Woodbury, we thank you for the fine job you do for our school.

Mr. Woodbury

Mrs. Glenn

DEAN GLENN

There's probably only one person who could successfully enter a school after the school year was well underway and immediately handle the many and varied duties of a Dean of Students. Merritt Island High School was indeed fortunate when Mrs. Doris Glenn accepted the position as disciplinarian of our school. Her understanding of and experience with student problems make her a valuable addition to our staff. Mrs. Glenn, we at Merritt Island High appreciate the time you spend with us and hope that you enjoyed your first year as dean.

GUIDANCE STAFF

Mrs. Nell Jones

Mr. Dabney Davis

Mrs. Nancy Rotta

Mr. Monroe Taback

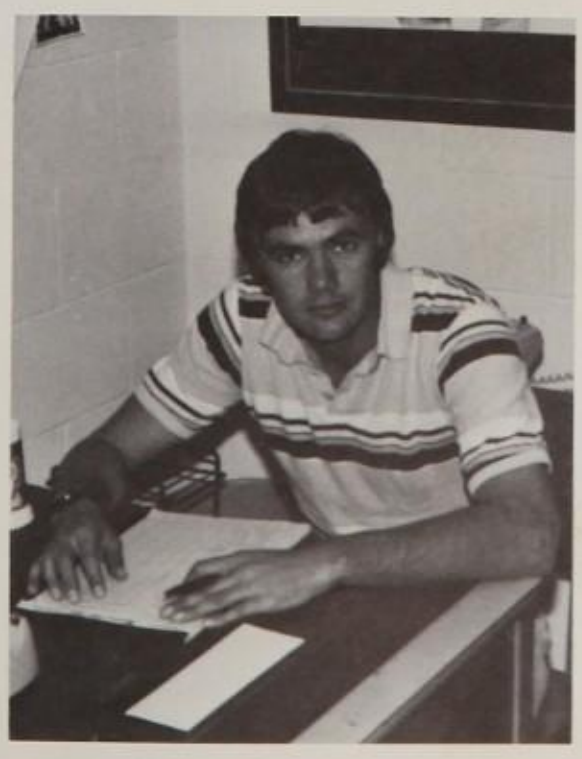
Mrs. Sarah Clark

Our Guidance Counselors are an integral part of the complicated machinery that keeps Merritt Island High running smoothly and efficiently. Their varied activities include straightening out schedule conflicts caused by the notorious computers, arranging college transcripts, and making sure that each student has the necessary requirements for graduation. These super people are always there to help students out in time of need and should be thought of with respect and appreciation.

"If I have to fill out one more form for Jim Whitehead. . . ."

Mr. Goldfarb, our occupational specialist, is responsible for providing assistance in all areas of work. He also counsels all students requesting information on fields of future endeavor. He can be seen performing a variety of duties around our campus.

"All I need now is a lollipop."



SECRETARIES AND CLERKS

Whenever a job needs to be done or an appointment made, our secretaries and clerks can handle the job superbly. These hard working ladies are responsible for many tedious and time-consuming tasks, which include scheduling club activities, handling college transcripts, bookkeeping, and selling tickets for athletic events. We salute these loyal Mustangs for all the effort they put into our school to make it run as smoothly as possible.

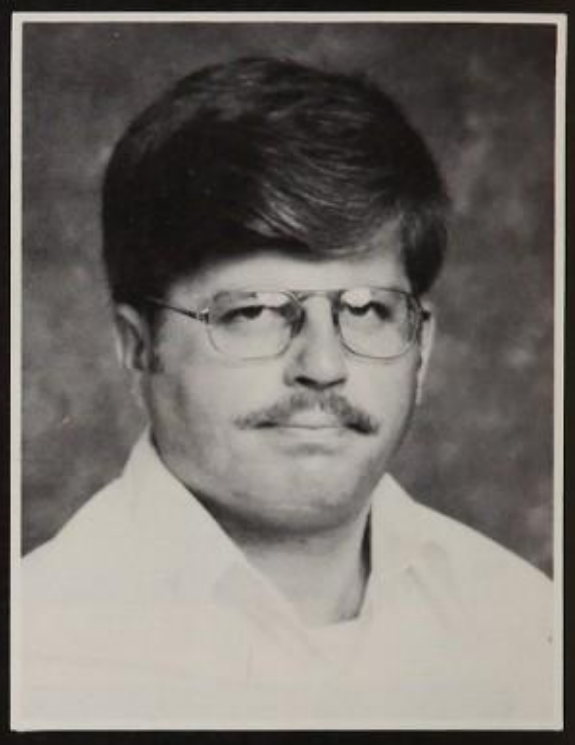
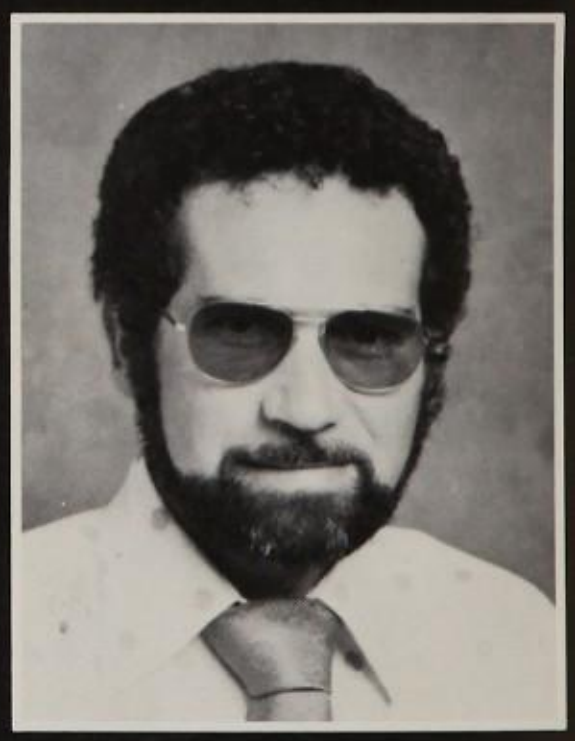
"THANKS FOR THE MEMORIES"

It is once again my sad duty to pay tribute to the memory of people who were an integral part of Merritt Island High School's faculty. Having to place a special "in memoriam" page in the Faculty section of our yearbook is indeed painful to all of us, but we must make a yearbook that commemorates what happened during this specific year whether it be pleasant or unpleasant. With this in mind, let me attempt to honor two men, Mr. Thomas Symons and Mr. Louis Checchi.



MR. THOMAS SYMONS, whose life ended last fall, had taught at Merritt Island High School for many years. A member of our Social Studies Department, he was a favorite among members of the student body. He indeed was an active part of our school, and during his years with us sponsored numerous student activities, classes, clubs, and gave of himself so unselfishly. His friendly, ever-present smile, his warm personality, and his ability to relate well with teenagers will long be remembered as some of his most positive attributes. He dearly loved this school, its faculty, its students, and he loved his country as well. The loss of Mr. Symons touched us deeply and, although it is not meant for us to understand the reasons and motives which brought about his untimely death, let us remember him as we knew him and let us reflect upon his memory with kind thoughts. He certainly thought well of all of us here. Let us think the same of him as we look back on all the pleasant memories that he leaves behind.



MR. LOUIS CHECCHI came to Merritt Island High School several years ago as a member of our Math Department. He became ill during the previous school year and was forced to leave his teaching position; members of our Sophomore Class probably did not know him for this reason. But those of us who did know Mr. Checchi remember him as a excellent teacher, a club sponsor, an active worker in our Athletic Department's business activities, and as someone who worked diligently to make Merritt Island High School "number one." We would also remember Mrs. Checchi and their three children and trust that they know how highly their husband and father was esteemed. It is not for us to know why it was decreed that he be taken from our midst, but we must continue to have faith that our Creator understands what we cannot. As we reflect upon his memory, let us have a smile on our faces as we remember the Mr. Checchi that we knew — so pleasant, so congenial, and so concerned for his students and all that is a part of our school.

Looking in retrospect at their lives, it is indeed easy to remember good things about both of them. Let us do just that . . . when we think of them, which many of us shall do often, let us remember the good, for there was much good in these two men who once were a part of our lives and shall always be a part of our memories.

Michael Ferger, Sponsor
MIHS Yearbook Staff

TEACHER AIDES

Our hardworking Teacher Aides are a very important part of our school's staff, and though their work often goes unappreciated, they continue to do their utmost to insure that our teachers are supplied with the students' favorite tests and study sheets. Our faculty would indeed lose much planning and preparation time were it not for the capability and dependability of our teacher aides. We Mustangs should be grateful for the long hours of tedious work these ladies put in each day.

CAFETERIA LADIES

"She always gets to do the fun stuff!"

The Cafeteria Staff is a group of dedicated women who spend many hours preparing nutritionally-balanced meals for the students and faculty of Merritt Island High. Though subject to a lot of fun criticism from the students, the staff continues to create tasteful and varied menus to serve to their customers. We owe these ladies a great deal of appreciation for their loyalty to the Mustangs and continued effort in keeping us all going through the school day.

"If they only knew what was in this!"

"You'd wear plastic on your hands too if you had to handle **these** fries!"

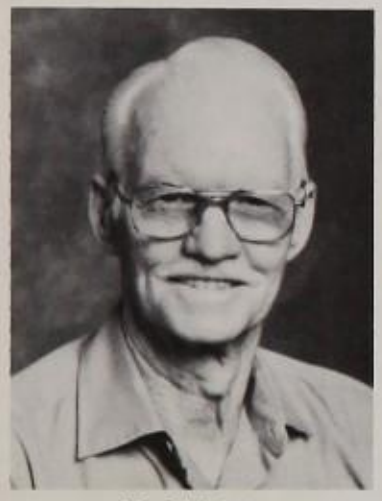
ADULT EDUCATION COORDINATOR

Who comes to work, here at Merritt Island High when most of us are out of school doing our much beloved Homework? It's Mr. Eugene Smith, our Adult Education Coordinator. Mr. Smith, a relative newcomer to MIHS, is responsible for running the entire Adult Education Program which meets in the evenings at our school. He also supervises the many other nighttime activities which are so important to the well-being of Merritt Island High.



Mr. Childers
Head Custodian

CUSTODIAL STAFF

We owe our school custodians our thanks for their never-ending fight against dirt, litter, and filth, here at Merritt Island High. Our loyal custodial staff deserves much appreciation from the student body for their continuing effort in keeping Merritt Island High a comfortable place in which to search for excellence.

Mrs. Warren
Office Maid

Back Row: John Childers, George Minton, Arnold Brown, James Watson, Joseph Trausch. **Front Row:** Kellos Anderson, David Wilcox, Harold Milner, Woodrow Guilford, Willy Stewart, Robert Case.

Paul, I want to let you know
how much I appreciate your
keeping Mary with you
in your home and the
way you have cared
for her. I know
it has been a
difficult time for
all of you.
Thank you for being
such a loving
aunt to Mary.
Thank you for
all that you
have done for me.

Your friends say they'll keep in touch, but you know they won't. Your teachers say come back and see them. And you know you won't. Maybe someday it won't matter. But right now, it hurts a little.

Paul,
Well it's been really nice seeing you this year in and out of school. remember me always and please keep in touch 452-1133 have fun over the summer and stay out of trouble take care and I hope to see you around

Friends . . .

As the last moments of my high school days pass by the preciousness of time becomes apparent, and I find myself thinking of you, and wanting to be with you, more than ever before. Until we leave each other, we may never realize the importance of the relationship we have shared here at Merritt Island High. We've learned together and grown together, and time will never be able to erase some of the memories of each other that we possess. However, for those that will fade, we, the Annual Staff, have produced a collection of thoughts, feelings, and times that we call **Islander '78.** I hope that you will find it a help in recalling some of the moments that have helped shape and mold your life. With the sadness of leaving you, my family, and my teachers, and the anticipation of beginning a new part of my life, I say good-bye and good luck . . .

Paul
I'll be known you for about a year
now and we've been good friends
I remember last summer all the
good times we had riding your
motorcycle. I'm still scared of those
things! So your VW is working
great. That's good. When are we going
to get drunk. I'll tell some more
auto jokes! Well soon you will be off on your
own. I hope the future. Hope to see
you over the summer. Make the most
of your life. Good
luck in all your endo. HOT
Take care! Love,

Paul,
I still remember the day that all the Mrs. Meeler's classmates met for the first time. I must admit - meeting our new customers was a difficult sort of task. It was a different sort of summer. Have a good one!
